If you select Individual Paper, you also have to select a topic, and your presentation preference:

A screenshot of a submission form. The form has several sections: 'Submission Group' with a dropdown menu showing 'Individual Paper'; 'Submission Subgroup' with a dropdown menu showing '1. Anatomy, biomechanics and motor control'; 'Title' with a text input field containing 'Title of my abstract'; 'Presentation Preference' with three radio buttons: 'Oral', 'Poster', and 'No Preference' (which is selected); 'Please upload your abstract or workshop proposal' with an 'Upload' button; and 'Copy your full abstract here or workshop proposal here' with a large text area containing 'text of abstract here'. Below these fields, there is a note about authors: 'Authors not listed here will NOT be listed in the Author Index. Do NOT type first names of authors/co-authors in full, but list initials only.' followed by 'Additional Authors' with an 'add new' button. Then there is a section for 'Applicant Type' with a dropdown menu showing 'Corresponding/Presenting Author'. At the bottom, there is a 'Showing: 1-1 of 1' indicator and a row of three buttons: 'save & continue later', 'save & submit', and 'cancel'. The 'save & submit' button is highlighted with a red box.

Make sure all your authors are listed. 

You can either click on 'Save & continue later' to re-access your abstract and change it or on 'Save & submit' to  complete/finalize it.

Please note: once you click on **'Save & Submit'**, your submission will be final and no further changes can be made.

If you select Workshop proposal, you also have to select your preferred timing:

For Workshop proposals, there's no need to list any authors other than the corresponding author.
